SUPPORTING PAWS PACKAGES

SUPPORTING PAWS CONSULTATION PACKAGE: \$150

- Suitable for clients committed to training their pet through our VICTORY VISIT program
- Our Fear Free Consultant individually manage the patient's experience, from start to finish - working as a co-operative team with client, nurses, trainers and vets.
- Pre-Visit-Pharmaceuticals (Gabapentin & Trazadone) will be dispensed
- To keep everyone safe, patients will be muzzled before arrival at the clinic, as per the training completed in our VICTORY VISIT program
- Careful selection of the least stressful environment for the consultation - Paws Outdoors Area, Consult Room, Car Park etc
- Our Fear Free Consultant will closely liaise with the client, review any referral notes and history, tailor a management plan to reduce contact with potentially stressful triggers in the vet clinic, arrange client access, and clearly communicate with the consulting veterinarian and support staff.
- NB: If unable to successfully examine the patient, the veterinary team will progress to sedation (refer to Procedure package)
- **Included in the cost - Vet Examination Fee / Supporting Fear Free Nurse Fee / Pre-Visit-Pharmaceuticals**
- **NOT included in the cost - Medications, Treatments and other Services**
